Spring Piano Recital a Success!

Congratulations to the nineteen students who performed in the Spring Piano Recital on Sunday, March 14, 2010. In addition to their two solo pieces, most students also played in a duet or trio. Everyone did well and I was very proud of them all. Parents please know that I appreciate the support you show for your children. Having the opportunity to share what they have learned with family and friends is an important part of their music study in many ways.
